

Reality Shift Process

This is the tool you can use to redesign and expand your life. Unlike an Affirmation, which impacts the lower 3-Dimensions, the Reality Shift brings in Spiritual teams who can impact all 64 Dimensions, including the higher Galactic realms. All that is done is under the direction of the level of Soul consciousness.

Sometimes, you choose something new because an old repeating situation becomes unbearable. Other times, you just have the urge to open the door to something new.

Ideas for Reality Statements:

- I am rediscovering who I am and who I am not. I choose joy, love, and beauty.
- I own my space, life, and gifts.
- All contracts I made to manifest domination programs for their removal are identified and fulfilled. Those energy cords are transformed into Light.
- As a soul in a Female body suit, I have downloaded and activated the program of the Sophia authority voice. All I love is held in the sacred sovereignty of Good.
- I am a presence of curiosity, discernment, and authority in a web of life that is emerging with all aspects of All Good.
- Gaia, Sophia, and Grace are three guides I can rely on.
- I listen to my intuitive discernment and eliminate and heal what is, has, or would deceive and harm me and those I love. I am Safe.

Reality Shift:

Here are the steps that take a Reality Statement from the level of affirmation work into the 64 dimensions of our entire Galactic and Gaia bio-field.

Step 1: Writing the Reality Statement: Describe your ideal world as if you are experiencing it now. This is similar to an affirmation but need not be specific. Write a sentence using personal and present tense, i.e., "I now am...." You are choosing your next experience and in the process old patterns can be transformed.

Step 2: Say to your TAG Spiritual team, "Please align every aspect of my consciousness and the consciousness and all to whom I am loving connected to this chosen reality and experience." pause

Step 3: Next, ask your PTO, TAG, and Laniakea teams, "DEEP SIX every energy imprint that would sabotage or prevent this reality and experience, whether the beginning was Galactic, Group, Genetic, Personal, Inherited, Contractual, Outsider or Other created." pause

Step 4: I call to my Spiritual teams, "All the Galactic Council Collective and I declare all contracts made to manifest Outsider's energy for its identification and removal is complete. The Shift to Outsider extinction in our Living Bio-Field is complete." pause

Step 5: Ask your healing team to 'defrag', clear and organize my Fifth Dimension region. The Fifth is the Hard drive of my electrical system in my physical body suit.

Step 6: Ask your Causal Design team, "Create the programs for the Highest Expression of this Reality and download the codes into the 1st Dimension of my Earth fields, anchor them into the 5th Dimension, and Activate their resonance into the entire 64-dimensional energy fields our Galactic Families." pause

Then you can know That It Is So!

Step 7: Feeling

Now that you, as the commander of your life, have chosen a change, a new possibility, it is up to you to feed it. Begin by taking just 5 minutes periodically, but especially as you drift into sleep, to imagine yourself in this Reality and FEEL all aspects of it. How does it feel in your body? What colors and shapes are there? Who is in that Reality with you?

Step 8: Remain aware of any contrary thoughts, feelings, or actions and use your tools, beginning with DEEP SIX, to declare that these imprints for such emerging forms be cleared and healed.

A Reality Shift can be repeated three to four times for the first three days. Treat this energy field like you are building a fire to keep your new seed alive and well. Imagine and feel the outcome. Give thanks for the new experience, etc. You can also create a card with your reality statement to post on your mirror, refrigerator, in your office, etc.

Adding a Brain Balance, Tapping, and Vagus Nerve release is very valuable.

The Song of the Reality Shift

As a soul with power of choice, evolved codes, and songs of the Divine I claim a life:

As writer, as painter, as singer of songs
a creator of peace is my aim

Support beyond sight holds me fast and secure
As winds of the change fill my wings

This harmony anchors all parts of my plans
and forms of magnificence sings

Joy bubbles and ripples from deep within me
healed lifetimes released into bliss

All souls in my live connected as One
in dances, in rests and in trysts.

And so it now is!
