- How does that appear?
- How does that impact your life?

What in your current life, has triggered your sensitivities?

Why do you not consider yourself sensitive?

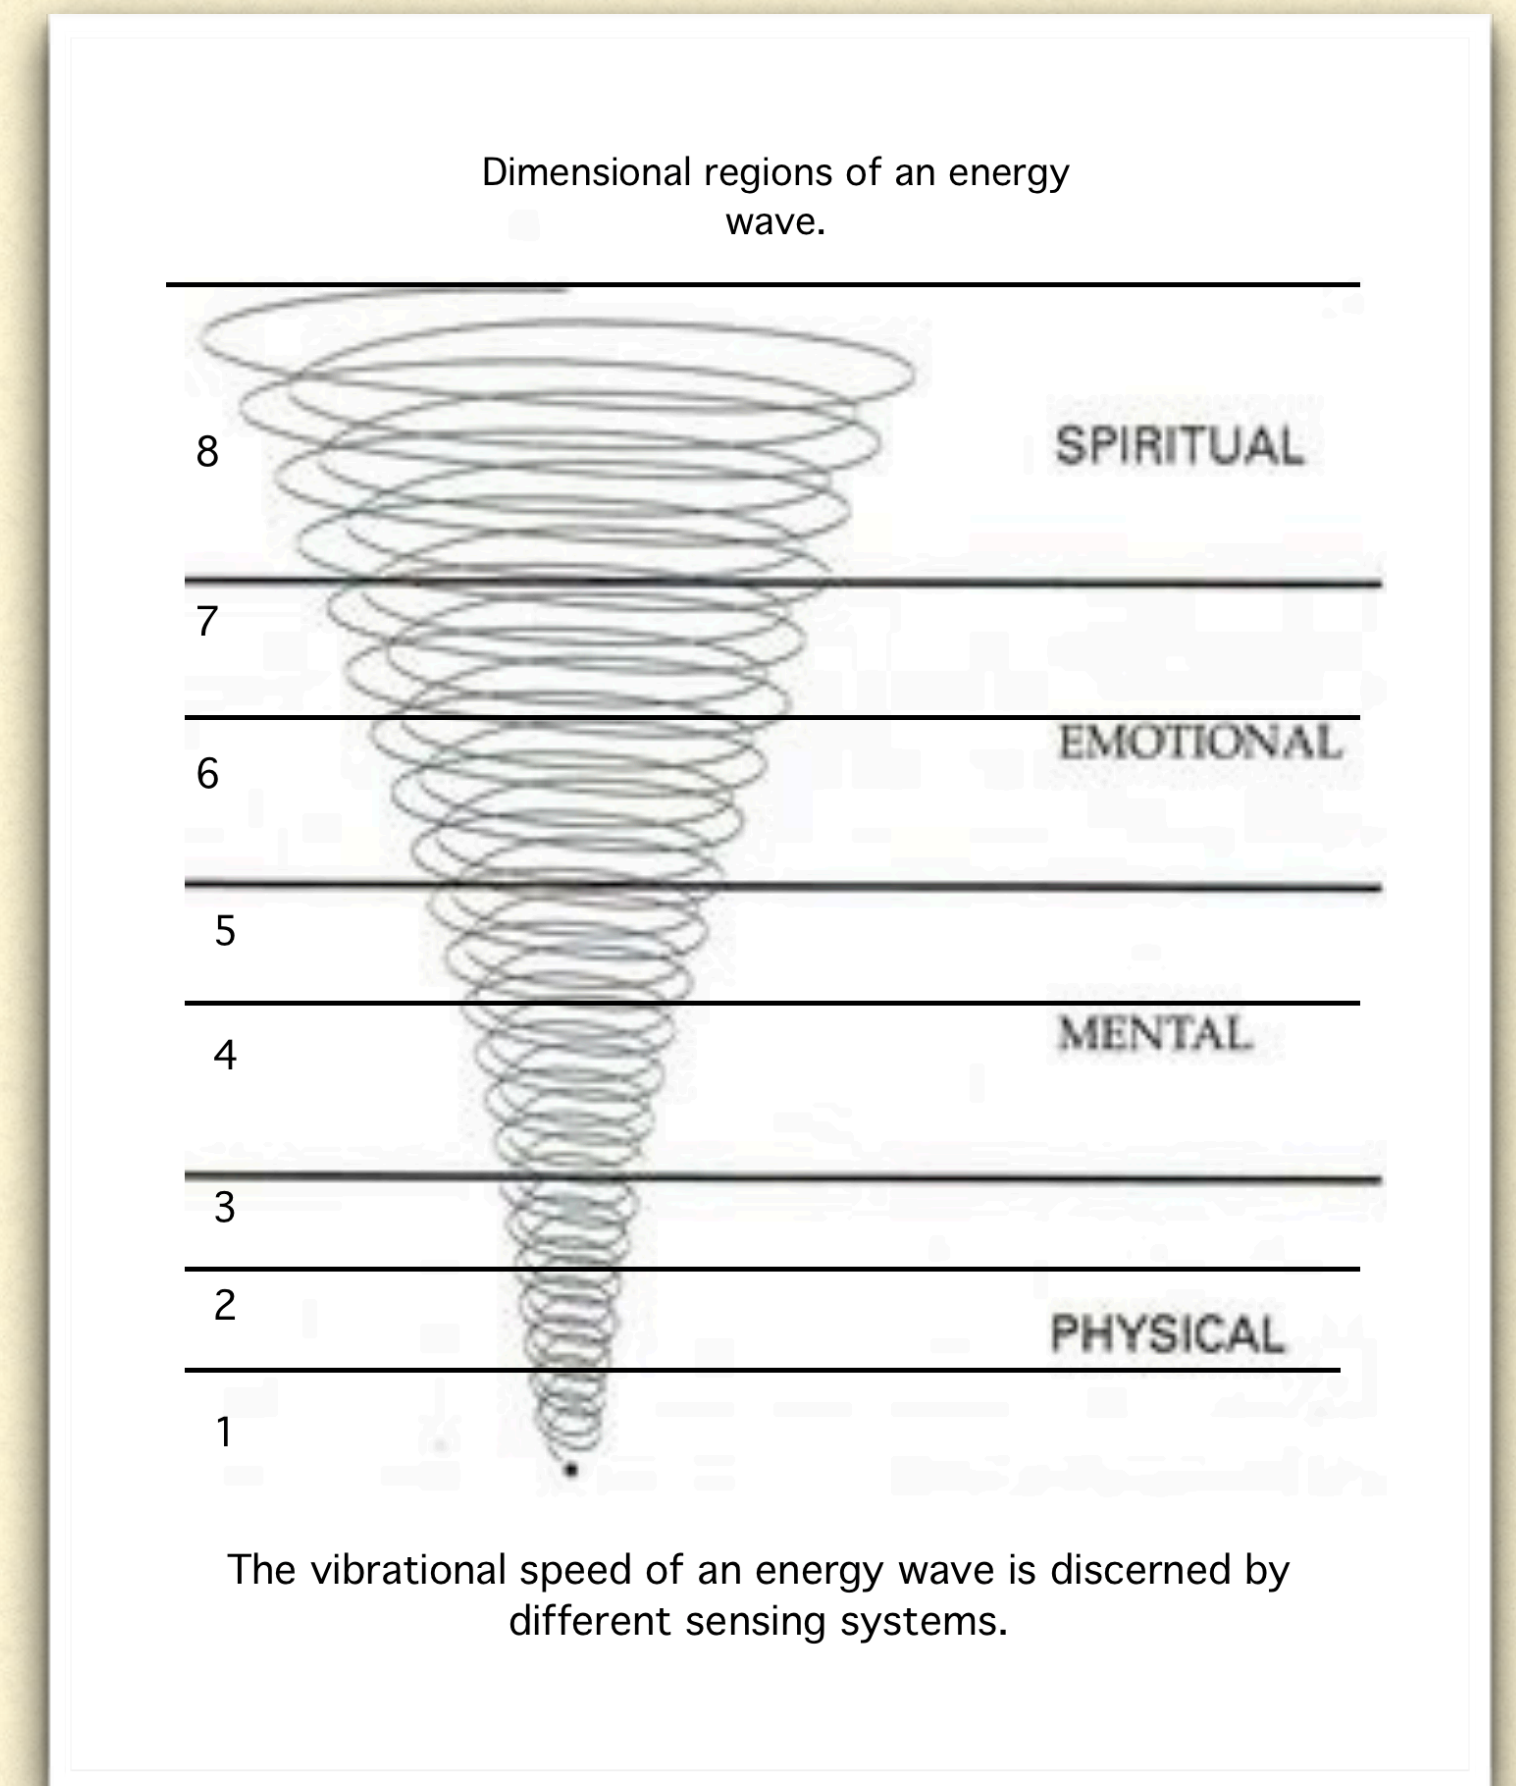

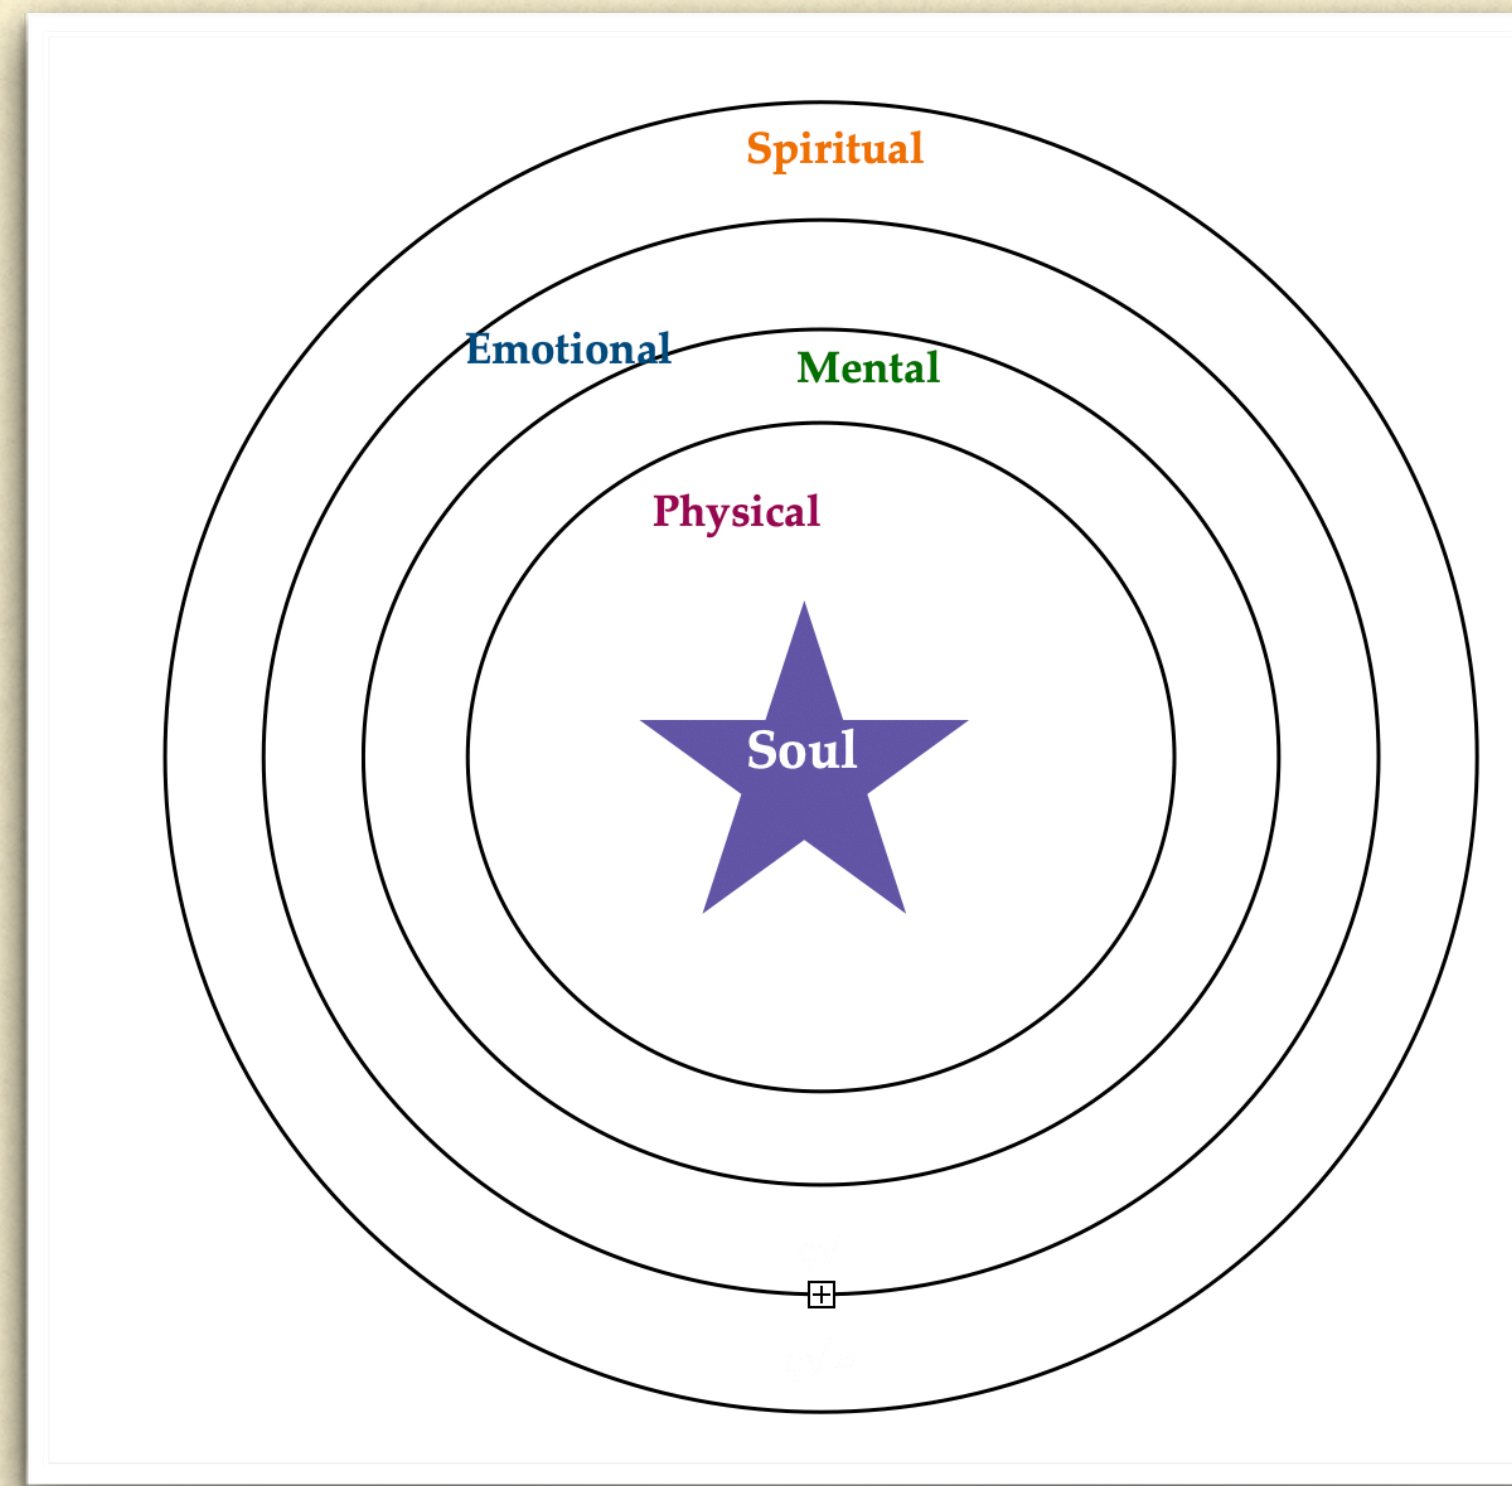

A New Look At Energy

Energy:

- Carries information
- Radiates/Broadcasts
- Attracts

Soul:

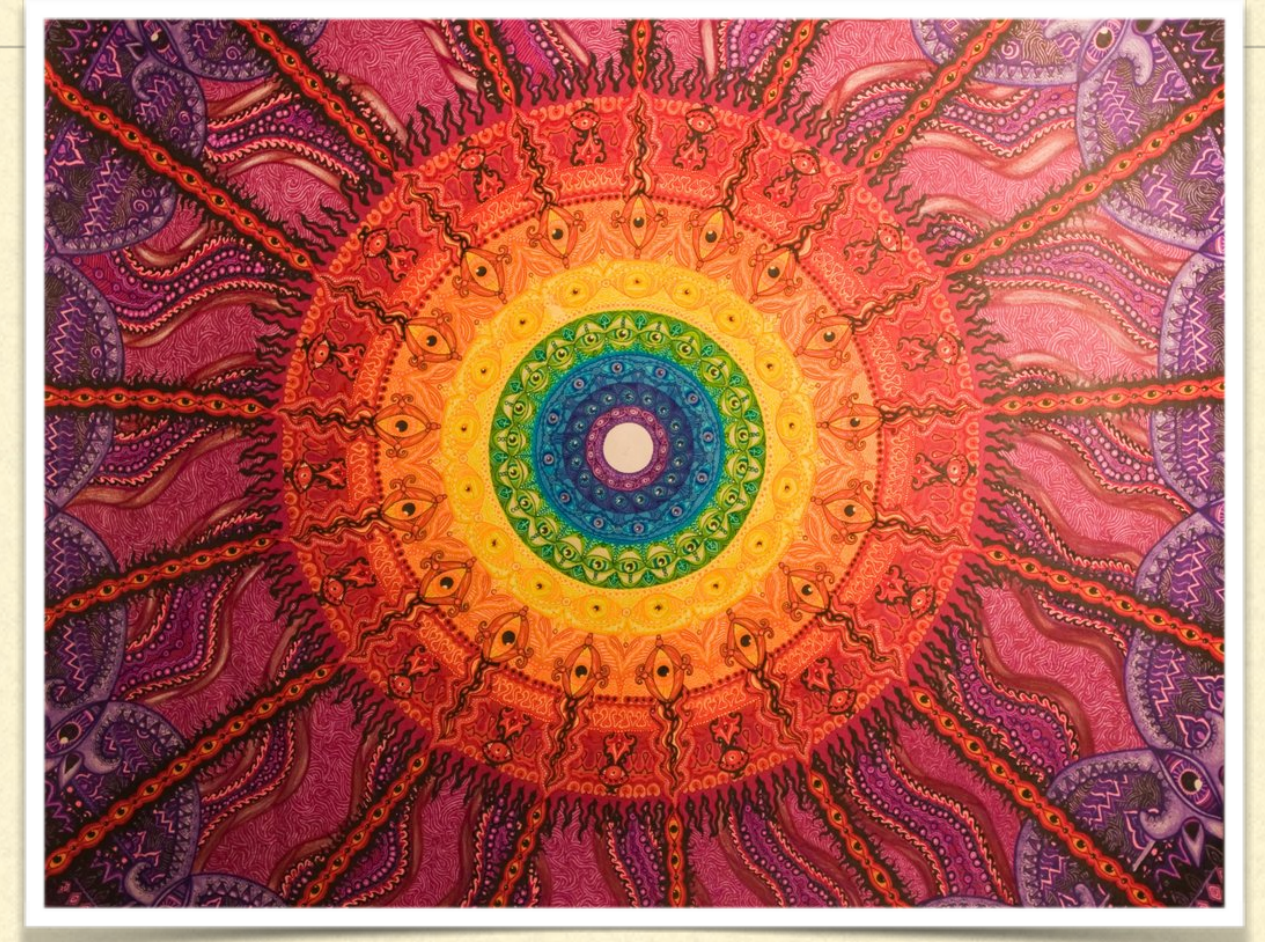

- Carries unformed energy

Being Sensitive to Energy is a Divine Gift

The Law of Manifestation

The Law of Personal Choice

Tesla, "If you want to understand the Universe, you must understand energy, vibrations, and frequencies."

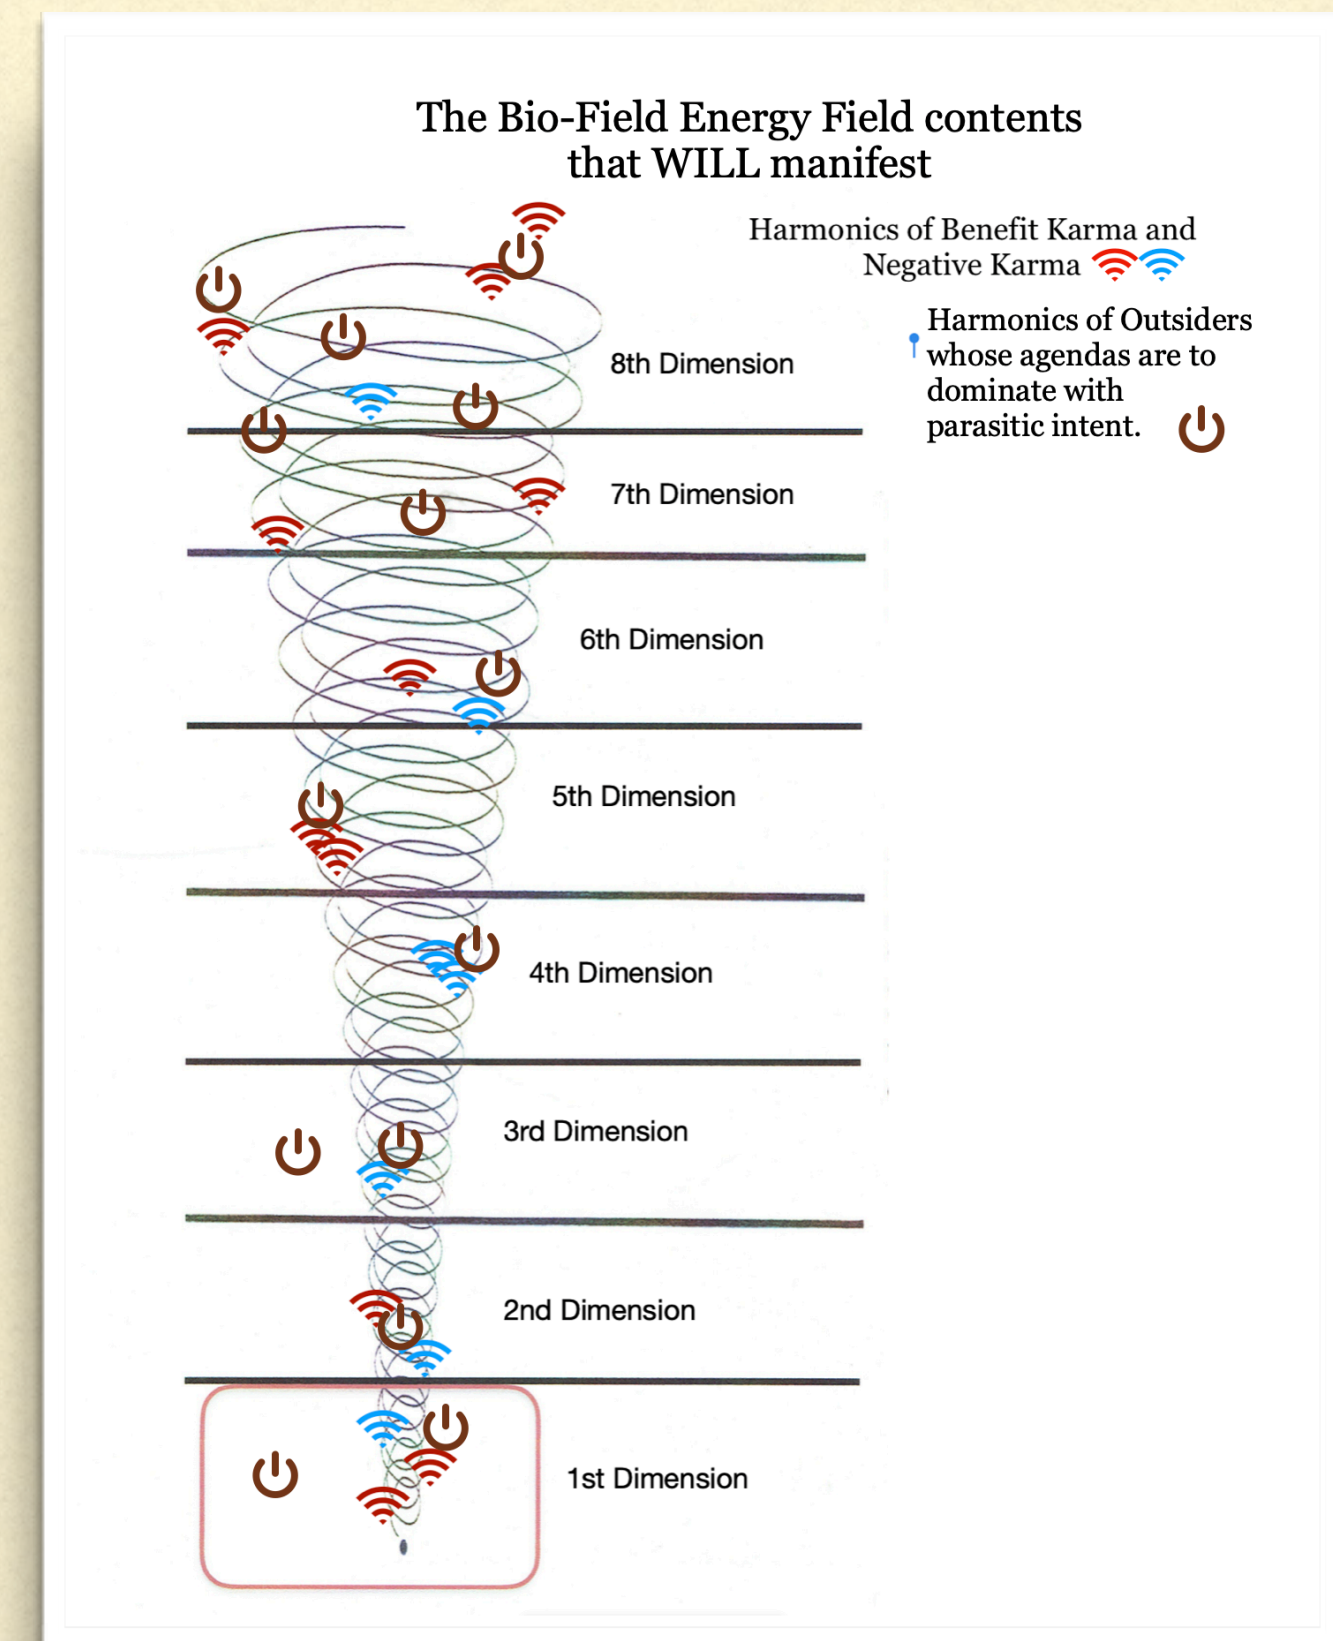

Therefore, if you want to change your Universe, World, Life, you must understand the language of Energy, vibrations and frequencies.
